## Activity

**One day Workshop of Training Partners Fostac FSSAI at FDA New Delhi 4<sup>th</sup> and 5<sup>th</sup> Jan 2018**

### **Let's ensure safe food everywhere**

#### **Training Partners**

Meeting was conducted on 4<sup>th</sup> of Jan 2018 for training partners to discuss the progress of training so to ensuring the widest outreach and participation in training, the modules under FoSTaC would be disseminated through TPs from the following broad categories of organization they included Trade, Professionals and Scientific Associations in the food sector at National, State or Regional level with a membership of at least a 100 members. Large FBOs can train other smaller FBOs, including FBOs they work with either upstream/ downstream, contractual manufactures and their own staff. Universities, Colleges, Technical Institutes, Hotel Management Institutes, and other Academic Institutes or relevant sectors can either integrate the FoSTaC course curriculum in their existing courses or offer these as specific curses. Training Partners approved by various Sector Skill Councils, other Govt. Schemes and other Training Agencies who have at least three years of experience at national or International level in training on food safety and/ or nutrition.

## Activity

One day Workshop of TOT Fostac FSSAI

3<sup>rd</sup> February 2018

### Let's ensure safe food everywhere

Each Food Business Operator needs to have at least one trained & certified person in their business premises to ensure food safety. Regulation to make it mandatory expected soon.

FSSAI brings an easy solution of Training & Certification through its new initiative of Food Safety Training & Certification Portal (FoSTaC) portal.

FoSTaC offers nine different types of courses meant for different types of food business on different competency level. We had our training in Advance food Catering where we had session on Food safety Food Handlers Food Cross contamination and Laws pertaining to FSSAI and advance catering

## Activity

SPPU had organized a meeting of all ARC Coordinators of three districts and 42 Talukas at the Environment Science Dept. for the participation in the Avishkar 2018. This activity, unique in its nature, is being implemented through Board of College and University Development. University of Pune has taken special efforts to increase the participation of the talented students from rural and urban areas. Special efforts were taken to organize Regional competitions, organize, special training to these students and provide them necessary help and guidance to enhance their abilities to present their work in an effective manner. This activity has generated a lot of enthusiasm amongst students and the participation is ever increasing.

Students will get a chance to participate in the following categories Humanities, Languages, Fine Arts, etc. Commerce, Management, Law etc. Pure Sciences Agriculture and Animal Husbandry Engineering & Technology Medicine and Pharmacy The session also included corresponding and process of participation. The session was indeed helpful for all the ARC of various colleges.

## Activity

**Workshop on AAA- Administrative and Academic Audit By CEDA (Centre for Education Development Administration) with SPPU**  
**Date: 26th July 2017**

Photo: (Honorable VC SPPU Dr. Karmalkar Executive Committee Member Dr. Mulidhar SPPU IQAC Director DR Praful Pawar and chairman CEDA Mr. Deshpande)

CEDA With SPPU Had Organized an AAA work shop for all Principals and IQAC to understand the importance of system audit in Administration and academic . Academic and Administrative Audit (AAA), are very essential for the excellence in Higher Education. These are interrelated concepts. Thus in order to have a quality oriented academic, there should be a strong administrative background. Academic audit can be understood as a scientific and systematic method of reviewing the quality of academic process in the institution. It is related with the quality assurance and enhancing the quality of academic activities in HEIs. To understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units and to suggest the methods for improvement and for overcoming the weaknesses. 2. To identify the bottlenecks in the existing administrative mechanisms and to identify the opportunities for academic reforms, administrative reforms and examination reforms etc. 3. To evaluate the optimum utilization of financial and other resources. 4. To suggest the methods for continuous improvement of quality keeping in mind criteria and reports by NAAC and other bodies.
